

# FTM's Top FDOT Consulting Firms in Florida

The Florida Department of Transportation let more than \$600 million in consultant contracts for fiscal year 2007-2008. Florida Transportation Magazine lists the top firms in the four disciplines: Design, Construction Engineering Inspection (CEI), Planning, and Project Development and Environment (P.D. & E.). The earning awards are based on the dollar contracts executed during the last fiscal year for the Florida Department of Transportation which ended June 30, 2008.

This year, some of the largest of the contracts were for design - build contracts, some of the design list leaders are well-known construction firms.
